Product Description:

Product Ingredients

Which product/ingredients will you source from other vendors at the market or from other local (within 150 miles) farms/growers?

Note: *The Lansdale Farmers' Market prefers food artisans who source as many local ingredients as possible and whose products change with the seasons. Local sourcing means the ingredients were grown or raised on a local farm. Local sourcing does not include purchase of items for reselling from a local distributor or retailer.*
